Dear STM School Parents,

Although the cost of providing a quality education continues to increase, STM School is able to offer its students an excellent academic and Christ-centered education for a fair and reasonable tuition. Part of what distinguishes our school community is our generous Parish, an exceptional faculty and administration, and parents who dedicate so much of their time and effort to the various programs and fundraisers established to enhance the education of their children.

We will be following diocesan procedures by using FACTS Management Company for the collection of ALL tuition. ALL students, without exception, must be enrolled in FACTS. If you were enrolled in FACTS for the 2016-2017 school year, your payment plan will rollover to the new school year. In addition, the More Bread fee will be collected by FACTS.

You will shortly receive a statement listing your More Bread purchases, amount of rollover, plus the amount (if any) due for the new school year. It will be collected by FACTS, in one payment, with a due date of June 30, 2017.

Attached is a brief explanation of FACTS payment plans, a memo summarizing the parent responsibilities of STM students, and a copy of the More Bread Program policy guidelines for the 2017-2018 school year. Please take the time to review this important information.

Tuition for the 2017-2018 school year is \$4,389 per child, plus the More Bread family fee.

If you have any questions or comments please feel free to call me. If you have any difficulty meeting the cost of tuition, please call Msgr. Murphy at 610-433-7413.

Sincerely,

Diane Liszka
Tuition Coordinator
