

2017-2018 STM SCHOOL
FACTS Plan Explanations & Payment Schedules

In an attempt to make monthly payments lower, a 10-payment plan will be offered (August thru May), in addition to the 2-payment plan (August and November) and 1-payment plan (September 1). Payments can be made through ACH (automatic withdrawals from your bank account), or a monthly invoice service.

If you have a FACTS account from last year, please update your personal information (address, phone, e-mail address, bank account number, etc.) if it has changed. Your log-in and password will remain the same. If you are new to STM, you must start a FACTS account. The FACTS web link (for old and new accounts) is as follows: <https://online.factsmgt.com/signin/3NXFV> (This link is also available on the STM School website.) The FACTS call center number is 866-441-4637.

PLEASE BE SURE ALL ENTRIES TO FACTS ARE COMPLETED BY MAY 31, 2017.

Tuition for the school year 2017-2018 is \$4,389 (per child), plus the \$400 More Bread fee (per family). Please remember, this \$400 can be reduced by your participation in the More Bread program. If you did not meet your \$400 goal for the 2016/17 school year, that balance will be added to your FACTS "More Bread" account for the new year (due June 30). The More Bread amount will be treated like a tuition payment; i.e., by ACH withdrawal (on June 30) or invoice.

All tuition, More Bread fees, and financial aid will be applied to your account in a two step process:

- Tuition will be applied and a confirmation letter will be sent via mail, email or text with these details. This will be followed by the addition of any applicable discounts (sibling discounts, More Bread rollovers, etc.).
- Financial aid and/or scholarships, once awarded and verified, will be applied to the account and an adjustment notification will be sent via email or text to inform you of the new payment schedule.

Please Note: The payment plan you used for the 2016-2017 year will be carried through to the new school year. If you wish to change from the billing plan to the ACH plan, you can do so through your user account in FACTS. If you wish to change from ACH to billing, please call Diane at 610-433-7413, to make the revision.
